ADULT CLASSES

Watercolor: Direct Painting and Monoprints – Available as single workshop or 5-6 week class. Explore watercolor techniques for direct painting, creating washes, textures and value to create one of a kind monoprints. *Instructor: Jessica Kronika*

Collagraphic Printmaking – Available as single workshop or 5-6 week class. Explore the use of collagraphic plates built up with a variety of everyday found or recycled materials and tools. Project includes creating your own collagraphic plates and relief blocks, sealing the plate, ink application techniques and pulling or stamping prints. *Instructors: Jessica Kronika or Jim Holmes*

Intersections of Traditional and Digital Printmaking Available as single workshop or 5-6 week class. Do you like to print using traditional printmaking materials and techniques but want to add some digital imagery? Or... Have you explored digital photography or computerized art making like Photoshop or Illustrator and want to make durable, archival prints that will last? *Instructor: Jessica Kronika*

Calligraphy and Watercolor Monoprint – Available as single workshop or 5-6 week class. Explore uses of Watercolor Monoprint and Calligraphy embellishment in this project oriented class. *Instructor: Jessica Kronika*

Beginning Printmaking – 4 week class. Beginners will learn three basic printmaking techniques, rubbercut block, monoprinting (using watercolor and oil based inks), and drypoint. Students will use block cutting tools, brushes, brayers stylus and our printing presses. You will leave with plenty of prints to share with family and friends and have a wonderful foundation to start printing! *Instructor: Janet Schill*

Photo Screen Printing – 6 week class. In this class students will explore using a photographic technique using a film positive to transfer your image to your screen. The screen will be ready to follow with running an edition of prints to exchange with classmates and take home. Student can bring in a variety of materials to print on from paper, cardboard, plexi and of course T- Shirts! *Instructor: Janet Schill*

Acrylic Painting – 8 week class. Wednesday evenings 7-9 PM Beginning to advanced students. All materials included. *Instructor: Steve Fisher Call 708-788-1709 for more information.*

CLASSES and WORKSHOPS

ADULT WORKSHOPS

Beginning and Master Class: Etching – One day workshop
Learn how to create your own images on a metal plate and print them on paper. This class teaches basic intaglio processes for beginners, as well as selected projects for those who have prior experience. We will be using zinc plate and acid. *Instructor: Nicolas de Jesus*

Handmade Books – Workshop October 25th 9:30-1:30.
\$40 plus \$10 for materials. Savor the creation of a hand mad book you'll treasure forever. You'll be learning binding knots, paper-grain, use of binding tools and more! Typical use for such books are: special gifts, recipes, wine notebook, journaling, or poetry. *Instructor: Whitney Scott*

Beginning and Intermediate Screen Printing – Afternoon workshop. Learning how to cut and print a paper stencil is an important and very simple way to screen print. This class introduces beginners to a stencil print using contact paper and a screen. From this design student can follow with a 2nd stencil to introduce a second color. Come with fabric and try and print on that too! *Instructor: Janet Schill*

Private Lessons in Printmaking – 2 hour workshop. \$30 for on student \$20 for 2 students (each) for a 2 hour class on Saturdays. Students supply all materials. Screen printing, block printing, drypoint, monoprinting both watercolor and ink. *Instructor: Janet Schill*

CHILDREN'S CLASSES and WORKSHOPS

Paper Cast Bowls (Ages 5 and up) Materials will be provided.
This safe and earth friendly process making a paper bowl is fun for all. We'll recycle paper to make paper pulp. Using different colored papers we will press into mold. When dry you can paint and embellish and more!
Instructors: Janet Schill & Kate Brennan

Saturday Morning Printmaking Class (Ages 5 – 8) Beginning September 6. 10:00 am to 11:45 am 3 Saturdays per month in September and October. Children will learn different acid free printmaking techniques such as watercolor monotype, relief print, block print and other mix media. We'll explore different techniques and subjects during each class meeting. *For more information contact Grazyna Kott - phone 312-307-4981, email grazka0@yahoo.com*

Tuesday After School Fine Art Printmaking Class (For Middle School Children) Tuesdays Beginning September 2nd. Children will learn different acid free printmaking techniques such as watercolor monotype, relief print, block print and other mix media. We'll explore different techniques and subjects during each class meeting. *For more information contact Grazyna Kott - phone 312-307-4981, email grazka0@yahoo.com*

Halloween Skull Prints (Ages 10 to 99) Saturday workshop to take place in early October. Using a simple mylar stencil we will create monoprints using traditional and viscosity printing techniques. *Instructor: Steve Fisher Call 708-788-1709 for more information.*
